

REMARKS

Claim 25 is amended herein to incorporate the subject matter of claim 26, which is cancelled. Claim 27 is amended to correct claim dependency.

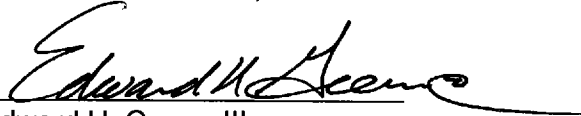

Claims 26-28 are allowable but objected to as depending from a rejected claim. Claims 27 and 28 now depend from allowable claim 25.

The Examiner stated claims 30-32 were similarly objected to. However, the Examiner indicated claim 29, from which these claims depend, is allowable. Accordingly, Applicant believes claims 30-32 are in condition for allowance. If this is not correct, the Examiner is urged to telephone the undersigned attorney to discuss Examiner's amendments to place these claims in condition for allowance.

Prompt allowance of all pending claims is respectfully requested.

Respectfully submitted,
